friendly
Air to Water
technology

The Base 1 is the perfect work or home companion, providing crystal clear drinking water straight from the air to your cup.

Technical Information

Production Capacity	20 litres / 24hrs
Power Supply	230V, 50Hz, 1 Phase
Input Power	480 W
Total Power Consumption	600 W
Refrigerant	r460a(make)
Amount of Air Flow	12KNT
Ideal Working Conditions	25°C - 38°C
Filtration Pump	EC-101-50
UV	11 W
Electric Control PLC	-
Internal Water Tank	14 litres
Weight	42 kg
Height	73 cm
Width	45.8 cm
Depth	35.6 cm
Machine Noise Level	60 dB
